

<p>CUSHIONS & BACK PILLOWS</p>	<p>Cushion/back pillows fills are priced for most styles in the Kisabeth price list. Other fills are readily available per your request, from heavy grade contract foams to 100% white goose down.</p> <ul style="list-style-type: none"> • Contract Foam Dacron - designed for firmer seating for commercial use or when desired for residential needs. • Foam Dacron - sewn in muslin/dacron case + dacron wrapped foam. Toss pillows are all fibre in a ticking case. • Formula Fill - loose seats - foam wrapped with multiple layers of fibre + muslin case. Pillows are blown in fibre. • 25/75 Foam Down - loose seats - 25/75 grey goose down in channel sewn down proof ticking over dacron wrapped HR foam. Back pillows only 25/75 goose down in channeled cases. • 25/75 Down - loose seats and pillows filled with 25/75 grey goose down in channeled down-proof ticking cases. • 50/50 Spring Down - loose seat with spring encased in foam on all sides with dacron wrap encased in 50/50 grey goose down channeled down-proof ticking case. Back pillows all 50/50 grey goose down in channeled case. • 50/50 Down - loose seat and back pillows filled with only 50/50 grey goose down in channeled down-proof ticking case.
<p>UPHOLSTERY PADDING & SEATING DENSITY</p>	<p>May be adjusted for any fill per your request for softer or firmer density than standard on your order. Selected cover fabric on different frame styles will affect the overall feel of a particular filling. In the absence of customer's specific instruction, Kisabeth reserves the right to adjust filling to allow for cover material's characteristics and effect upon different frame styles.</p> <p>NOTE: 80 / 20 or 100% Grey Goose or White Goose Down available upon request.</p>
